PARLIAMENT OF GHANA LIBRARY

Article 1
PERSONS COVERED

This Agreement shall apply to persons who are residents of one or both of the Contracting States.

Article 2
TAXES COVERED

1. This Agreement shall apply to taxes on income and on capital gains imposed on behalf of a Contracting State or of its political subdivisions or local authorities, irrespective of the manner in which they are levied.

2. There shall be regarded as taxes on income and on capital gains all taxes imposed on total income, on total capital gains, or on elements of income or of capital gains, including taxes on the total amounts of wages or salaries paid by enterprises.

3. The existing taxes to which the Agreement shall apply are in particular:

a) in the Czech Republic:

- (i) the tax on income of individuals; and
 - (ii) the tax on income of legal persons;
- (hereinafter referred to as "Czech tax");

b) in Ghana:

- (i) the income tax; and
 - (ii) the capital gains tax;
- (hereinafter referred to as "Ghana tax").

4. The Agreement shall apply also to any identical or substantially similar taxes that are imposed after the date of signature of the Agreement in addition to, or in place of, the existing taxes. The competent authorities of the Contracting States shall notify each other of any significant changes that have been made in their taxation laws.

Article 3
GENERAL DEFINITIONS

1. For the purposes of this Agreement, unless the context otherwise requires:
- a) the term "the Czech Republic" means the territory of the Czech Republic over which, under Czech legislation and in accordance with international law, the sovereign rights of the Czech Republic are exercised;
 - b) the term "Ghana" means the territory of the Republic of Ghana including its air space, the territorial sea and any area outside the territorial sea within which, in accordance with international law, the Republic of Ghana exercises jurisdiction and has sovereign rights for the purpose of exploring and exploiting the natural resources of the seabed and its subsoil and the superjacent waters;
 - c) the terms "a Contracting State" and "the other Contracting State" mean the Czech Republic or Ghana, as the context requires;
 - d) the term "person" includes an individual, a company and any other body of persons;
 - e) the term "company" means any body corporate or any entity that is treated as a body corporate for tax purposes;
 - f) the term "enterprise" applies to the carrying on of any business;
 - g) the terms "enterprise of a Contracting State" and "enterprise of the other Contracting State" mean respectively an enterprise carried on by a resident of a Contracting State and an enterprise carried on by a resident of the other Contracting State;
 - h) the term "national" means:
 - (i) any individual possessing the nationality of a Contracting State;
 - (ii) any legal person, partnership or association deriving its status as such from the laws in force in a Contracting State;
 - i) the term "business" includes also the performance of professional services and of other activities of an independent character;

j) the term "international traffic" means any transport by a ship or aircraft operated by an enterprise that has its place of effective management in a Contracting State, except when the ship or aircraft is operated solely between places in the other Contracting State;

k) the term "competent authority" means:

(i) in the case of the Czech Republic, the Minister of Finance or his authorised representative;

(ii) in the case of Ghana, the Commissioner General of the Ghana Revenue Authority or his authorised representative.

2. As regards the application of the Agreement at any time by a Contracting State, any term not defined therein shall, unless the context otherwise requires, have the meaning that it has at that time under the law of that State for the purposes of the taxes to which the Agreement applies, any meaning under the applicable tax laws of that State prevailing over a meaning given to the term under other laws of that State.

Article 4
RESIDENT

1. For the purposes of this Agreement, the term "resident of a Contracting State" means any person who, under the laws of that State, is liable to tax therein by reason of his domicile, residence, place of management or any other criterion of a similar nature, and also includes that State and any political subdivision or local authority thereof. This term, however, does not include any person who is liable to tax in that State in respect only of income or capital gains from sources in that State.

2. Where by reason of the provisions of paragraph 1 an individual is a resident of both Contracting States, then his status shall be determined as follows:

a) he shall be deemed to be a resident only of the State in which he has a permanent home available to him; if he has a permanent home available to him in both States, he shall be deemed to be a resident only of the State with which his personal and economic relations are closer (centre of vital interests);

b) if the State in which he has his centre of vital interests cannot be determined, or if he has not a permanent home available to him in either State, he shall be deemed to be a resident only of the State in which he has an habitual abode;

c) if he has an habitual abode in both States or in neither of them, he shall be deemed to be a resident only of the State of which he is a national;

d) if he is a national of both States or of neither of them, the competent authorities of the Contracting States shall settle the question by mutual agreement.

3. Where by reason of the provisions of paragraph 1 a person other than an individual is a resident of both Contracting States, then it shall be deemed to be a resident only of the State in which its place of effective management is situated.

Article 5
PERMANENT ESTABLISHMENT

1. For the purposes of this Agreement, the term "permanent establishment" means a fixed place of business through which the business of an enterprise is wholly or partly carried on.

2. The term "permanent establishment" includes especially:

a) a local place of management;

b) a branch;

c) an office;

d) a factory;

e) a workshop, and

f) a mine, an oil or gas well, a quarry or any other place of extraction of natural resources.

3. The term "permanent establishment" likewise encompasses:

a) a building site, or a construction, assembly or installation project or supervisory activities in connection therewith, but only where such site, project or activities continue for a period of more than nine months;

b) the furnishing of services, including consultancy or managerial services, by an enterprise of a Contracting State or through employees or other personnel engaged by the enterprise for such purpose, but only where activities of that nature continue in the territory of the other Contracting State for a period or periods exceeding in the aggregate six months within any twelve month period.

4. Notwithstanding the preceding provisions of this Article, the term "permanent establishment" shall be deemed not to include:

a) the use of facilities solely for the purpose of storage or display of goods or merchandise belonging to the enterprise;

b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage or display;

c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;

d) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise or of collecting information, for the enterprise;

e) the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any other activity of a preparatory or auxiliary character;

f) the maintenance of a fixed place of business solely for any combination of activities mentioned in sub-paragraphs a) to e), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.

5. Notwithstanding the provisions of paragraphs 1 and 2, where a person - other than an agent of an independent status to whom paragraph 6 applies - is acting in a Contracting State on behalf of an enterprise of the other Contracting State, that enterprise shall be deemed to have a permanent establishment in the first-mentioned State in respect of any activities which that person undertakes for the enterprise, if such a person:

a) has and habitually exercises in that State an authority to conclude contracts in the name of the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph; or

b) has no such authority, but habitually maintains in the first-mentioned State a stock of goods or merchandise from which he regularly delivers goods or merchandise on behalf of the enterprise.

6. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.

7. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

Article 6

INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting State from immovable property (including income from agriculture or forestry) situated in the other Contracting State may be taxed in that other State.
2. The term "immovable property" shall have the meaning which it has under the law of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources; ships and aircraft shall not be regarded as immovable property.
3. The provisions of paragraph 1 shall apply to income derived from the direct use, letting, or use in any other form of immovable property.
4. The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise.

Article 7
BUSINESS PROFITS

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.

2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere. However, no such deduction shall be allowed in respect of amounts, if any, paid (otherwise than towards reimbursement of actual expenses) by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents or other rights, or by way of commission, for specific services performed or for management, or, except in the case of a banking enterprise, by way of interest on moneys lent to the permanent establishment. Likewise, no account shall be taken, in the determination of the profits of a permanent establishment, for amounts charged (otherwise than towards reimbursement of actual expenses), by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents or other rights, or by way of commission for specific services performed or for management, or, except in the case of a banking enterprise, by way of interest on moneys lent to the head office of the enterprise or any of its other offices.

4. Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of

the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

Article 8
SHIPPING AND AIR TRANSPORT

1. Profits from the operation of ships or aircraft in international traffic shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.

2. For the purposes of this Article and notwithstanding the provisions of paragraph 3 of Article 12, profits from the operation of ships or aircraft in international traffic include:

- a) profits from the rental on a bare boat basis of ships or aircraft, and
- b) profits from the use, maintenance or rental of containers, including trailers and related equipment for the transport of containers, used for the transport of goods or merchandise,

where such rental or such use, maintenance or rental, as the case may be, is incidental to the operation of ships or aircraft in international traffic.

3. If the place of effective management of a shipping enterprise is aboard a ship, then it shall be deemed to be situated in the Contracting State in which the home harbour of the ship is situated, or, if there is no such home harbour, in the Contracting State of which the operator of the ship is a resident.

4. The provisions of paragraph 1 shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

PARLIAMENT OF CHANA LIBRARY

Article 9
ASSOCIATED ENTERPRISES

1. Where

- a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or
- b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. Where a Contracting State includes in the profits of an enterprise of that State - and taxes accordingly - profits on which an enterprise of the other Contracting State has been charged to tax in that other State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting States shall if necessary consult each other.

3. The provisions of paragraph 2 shall not apply where judicial, administrative or other legal proceedings have resulted in a final ruling that by actions giving rise to an adjustment of profits under paragraph 1, one of the enterprises concerned is liable to penalty with respect to fraud, gross negligence or wilful default.

Article 10 DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.

2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if the beneficial owner of the dividends is a resident of the other Contracting State, the tax so charged shall not exceed 6 per cent of the gross amount of the dividends.

The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of this limitation.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. The term "dividends" as used in this Article means income from shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights and other income which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution or payment is a resident.

4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident through a permanent establishment situated therein and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

5. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment situated in that other State, nor subject the company's undistributed profits to a tax

on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

Article 11 INTEREST

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such interest may also be taxed in the Contracting State in which it arises and according to the laws of that State, but if the beneficial owner of the interest is a resident of the other Contracting State, the tax so charged shall not exceed 10 per cent of the gross amount of the interest.

The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of this limitation.

3. Notwithstanding the provisions of paragraph 2, interest arising in a Contracting State and paid to a resident of the other Contracting State who is the beneficial owner thereof shall be taxable only in that other State if such interest is paid:

a) in connection with the sale on credit of any merchandise or equipment;

b) on any loan or credit of whatever kind granted by a bank;

c) to the Government of the other Contracting State, including any political subdivision or local authority thereof, the Central Bank or any financial institution owned or controlled by that Government;

d) to a resident of the other State in connection with any loan or credit guaranteed by the Government of the other State, including any political subdivision or local authority thereof, the Central Bank or any financial institution owned or controlled by that Government.

4. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purposes of this Article. The term

"interest" shall not include any item of income which is considered as a dividend under the provisions of paragraph 3 of Article 10.

5. The provisions of paragraphs 1, 2 and 3 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises through a permanent establishment situated therein and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

6. Interest shall be deemed to arise in a Contracting State when the payer is a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment, then such interest shall be deemed to arise in the State in which the permanent establishment is situated.

7. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

Article 12
ROYALTIES AND SERVICES FEES

1. Royalties and services fees arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such royalties and services fees may also be taxed in the Contracting State in which they arise and according to the laws of that State, but if the beneficial owner of the royalties or services fees is a resident of the other Contracting State, the tax so charged shall not exceed 8 per cent of the gross amount of the royalties or services fees.

The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of this limitation.

3. a) The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work including cinematograph films, and films or tapes for television or radio broadcasting, any patent, trade mark, design or model, plan, secret formula or process, or for the use of, or the right to use, any industrial, commercial or scientific equipment, or for information concerning industrial, commercial or scientific experience.

b) The term "services fees" as used in this Article means payments received as a consideration for the provision of technical, consultancy and managerial services, but does not include payments for services mentioned in sub-paragraph a) of paragraph 3 of Article 5 and in Article 14.

4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the royalties or services fees, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties or services fees arise through a permanent establishment situated therein and the right, property or service in respect of which the royalties or services fees are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

5. Royalties and services fees shall be deemed to arise in a Contracting State when the payer is a resident of that State. Where, however, the person paying the

royalties or services fees, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment in connection with which the liability to pay the royalties or services fees was incurred, and such royalties or services fees are borne by such permanent establishment, then such royalties or services fees shall be deemed to arise in the State in which the permanent establishment is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties or services fees, having regard to the use, right, information or service for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

Article 13
CAPITAL GAINS

1. Gains derived by a resident of a Contracting State from the alienation of immovable property referred to in Article 6 and situated in the other Contracting State may be taxed in that other State.
2. Gains from the alienation of movable property forming part of the business property of a permanent establishment which an enterprise of a Contracting State has in the other Contracting State, including such gains from the alienation of such a permanent establishment (alone or with the whole enterprise), may be taxed in that other State.
3. Gains from the alienation of property forming part of the business property of an enterprise and consisting of ships or aircraft operated by such enterprise in international traffic or of movable property pertaining to the operation of such ships or aircraft, shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.
4. Gains derived by a resident of a Contracting State from the alienation of shares or other interests in a company which is a resident of the other Contracting State may be taxed in that other State.
5. Gains from the alienation of any property, other than that referred to in paragraphs 1, 2, 3 and 4, shall be taxable only in the Contracting State of which the alienator is a resident.

Article 14
INCOME FROM EMPLOYMENT

1. Subject to the provisions of Articles 15, 17 and 18, salaries, wages and other similar remuneration derived by a resident of a Contracting State in respect of an employment shall be taxable only in that State unless the employment is exercised in the other Contracting State. If the employment is so exercised, such remuneration as is derived therefrom may be taxed in that other State.

2. Notwithstanding the provisions of paragraph 1, remuneration derived by a resident of a Contracting State in respect of an employment exercised in the other Contracting State shall be taxable only in the first-mentioned State if:

a) the recipient is present in the other State for a period or periods not exceeding in the aggregate 183 days in any twelve month period commencing or ending in the fiscal year concerned, and

b) the remuneration is paid by, or on behalf of, an employer who is not a resident of the other State, and

c) the remuneration is not borne by a permanent establishment which the employer has in the other State.

3. Notwithstanding the preceding provisions of this Article, remuneration derived in respect of an employment exercised aboard a ship or aircraft operated in international traffic, may be taxed in the Contracting State in which the place of effective management of the enterprise is situated.

Notwithstanding the provisions of Articles 7 and 14, income derived by a resident of a Contracting State as an entertainer, such as a theatre, motion picture, radio or television artiste, or a musician, or as a sportsman, from his personal activities as such exercised in the other Contracting State, may be taxed in that other State.
2. Where income in respect of personal activities exercised by an entertainer or a sportsman in his capacity as such accrues not to the entertainer or sportsman himself but to another person, that income may, notwithstanding the provisions of Articles 7 and 14, be taxed in the Contracting State in which the activities of the entertainer or sportsman are exercised.
3. Notwithstanding the provisions of paragraphs 1 and 2, income derived from the activities referred to in paragraph 1 within the framework of cultural or sports exchanges agreed to by the Governments of the Contracting States and carried out other than for the purpose of profit shall be exempt from tax in the Contracting State in which these activities are exercised.

Subject to the provisions of paragraph 2 of Article 18, pensions and other similar remuneration paid to a resident of a Contracting State in consideration of past employment shall be taxable only in that State.

Article 18
GOVERNMENT SERVICE

1. a) Salaries, wages and other similar remuneration paid by a Contracting State or a political subdivision or a local authority thereof to an individual in respect of services rendered to that State or subdivision or authority shall be taxable only in that State.

b) However, such salaries, wages and other similar remuneration shall be taxable only in the other Contracting State if the services are rendered in that State and the individual is a resident of that State who:

- (i) is a national of that State; or
- (ii) did not become a resident of that State solely for the purpose of rendering the services.

2. a) Notwithstanding the provisions of paragraph 1, pensions and other similar remuneration paid by, or out of funds created by, a Contracting State or a political subdivision or a local authority thereof to an individual in respect of services rendered to that State or subdivision or authority shall be taxable only in that State.

b) However, such pensions and other similar remuneration shall be taxable only in the other Contracting State if the individual is a resident of, and a national of, that State.

3. The provisions of Articles 14, 15, 16 and 17 shall apply to salaries, wages, pensions and other similar remuneration in respect of services rendered in connection with a business carried on by a Contracting State or a political subdivision or a local authority thereof.

Article 20
OTHER INCOME

1. Items of income of a resident of a Contracting State, wherever arising, not dealt with in the foregoing Articles of this Agreement shall be taxable only in that State.

2. The provisions of paragraph 1 shall not apply to income, other than income from immovable property as defined in paragraph 2 of Article 6, if the recipient of such income, being a resident of a Contracting State, carries on business in the other Contracting State through a permanent establishment situated therein, and the right or property in respect of which the income is paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

Article 21
ELIMINATION OF DOUBLE TAXATION

1. Subject to the provisions of the laws of the Czech Republic regarding the elimination of double taxation, in the case of a resident of the Czech Republic, double taxation shall be eliminated as follows:

The Czech Republic, when imposing taxes on its residents, may include in the tax base upon which such taxes are imposed the items of income or of capital gain which according to the provisions of this Agreement may also be taxed in Ghana, but shall allow as a deduction from the amount of tax computed on such a base an amount equal to the tax paid in Ghana. Such deduction shall not, however, exceed that part of the Czech tax, as computed before the deduction is given, which is appropriate to the income or capital gain which, in accordance with the provisions of this Agreement, may be taxed in Ghana.

2. In the case of Ghana:

a) Income tax payable under the laws of the Czech Republic and in accordance with the provisions of the Agreement, whether directly (by assessment) or by deduction (withholding), on profits, income or capital gains from sources within the Czech Republic (excluding, in the case of dividends, tax payable in respect of the profits out of which the dividends are paid) shall be allowed as a credit against any Ghana tax computed by reference to the same profits, income or capital gains.

b) In the case of dividends paid by a company which is a resident of the Czech Republic to a company which is a resident of Ghana and which controls directly at least 10 per cent of the capital of the company paying the dividends, the credit shall take into account, in addition to any income tax for which credit may be allowed under the provisions of sub-paragraph a), the income tax paid by the company in respect of the profits out of which such dividends are paid.

Provided that any credit allowed under sub-paragraphs a) and b) of this paragraph shall not exceed the proportion of the Ghana tax which such profits, income or capital gains bear to the entire profits, income or capital gains chargeable to Ghana tax.

3. Where in accordance with any provision of the Agreement income or capital gain derived by a resident of a Contracting State is exempt from tax in that State, such State may nevertheless, in calculating the amount of tax on the remaining income or capital gains of such resident, take into account the exempted income or capital gain.

Article 22
NON-DISCRIMINATION

1. Nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances, in particular with respect to residence, are or may be subjected. This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting States.

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities. This provision shall not be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

3. Except where the provisions of paragraph 1 of Article 9, paragraph 7 of Article 11, or paragraph 6 of Article 12, apply, interest, royalties, services fees and other disbursements paid by an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned State.

4. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.

5. The provisions of this Article shall, notwithstanding the provisions of Article 2, apply to taxes of every kind and description.

Article 23

MUTUAL AGREEMENT PROCEDURE

1. Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph 1 of Article 22, to that of the Contracting State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.
2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.
3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.
4. The competent authorities of the Contracting States may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs.

Article 24
EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is foreseeably relevant for carrying out the provisions of this Agreement or to the administration or enforcement of the domestic laws concerning taxes of every kind and description imposed on behalf of the Contracting States, or of their political subdivisions or local authorities, insofar as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Articles 1 and 2.

2. Any information received under paragraph 1 by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, the determination of appeals in relation to the taxes referred to in paragraph 1, or the oversight of the above. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

3. In no case shall the provisions of paragraphs 1 and 2 be construed so as to impose on a Contracting State the obligation:

a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;

b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;

c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (*ordre public*).

4. If information is requested by a Contracting State in accordance with this Article, the other Contracting State shall use its information gathering measures to obtain the requested information, even though that other State may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such

limitations be construed to permit a Contracting State to decline to supply information solely because it has no domestic interest in such information.

5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting State to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.

Article 25

MEMBERS OF DIPLOMATIC MISSIONS AND CONSULAR POSTS

Nothing in this Agreement shall affect the fiscal privileges of members of diplomatic missions or consular posts under the general rules of international law or under the provisions of special agreements.

Article 26

MISCELLANEOUS RULES

1. Where this Agreement provides (with or without other conditions) that income or capital gain from sources in a Contracting State shall be exempt from tax, or taxed at a reduced rate, in that State and under the laws in force in the other Contracting State the said income or capital gain is subject to tax by reference to the amount thereof which is remitted to or received in that other State and not by reference to the full amount thereof, then the exemption or reduction of tax to be allowed under this Agreement in the first-mentioned State shall apply only to so much of the income or capital gain as is remitted to or received in the other State.
2. The competent authority of a Contracting State may, after consultation with the competent authority of the other Contracting State, deny the benefits of this Agreement to any person, or with respect to any transaction, if in its opinion the granting of those benefits would constitute an abuse of the Agreement.
3. The provisions of this Agreement shall in no case prevent either Contracting State from applying the provisions of its domestic laws that are aimed at the prevention of fiscal avoidance or evasion.
4. Persons that benefit from income tax exemption or other special tax treatment that is granted under an incentive regime in a Contracting State including those carrying on business within free zones in that State are not considered to be persons in relation to which this Agreement is applicable, except for the Article on Exchange of Information.

Article 27
ENTRY INTO FORCE

Each of the Contracting States shall notify to the other, through the diplomatic channels, the completion of the procedures required by its domestic law for the bringing into force of this Agreement. This Agreement shall enter into force on the date of the later of these notifications and its provisions shall have effect:

- a) in respect of taxes withheld at source, to income paid or credited on or after 1st January in the calendar year next following that in which the Agreement enters into force;
- b) in respect of other taxes on income and taxes on capital gains, to income or capital gains in any taxable year beginning on or after 1st January in the calendar year next following that in which the Agreement enters into force.

Article 28
TERMINATION

This Agreement shall remain in force until terminated by a Contracting State. Either Contracting State may terminate the Agreement, through the diplomatic channels, by giving notice of termination at least six months before the end of any calendar year following after the period of five years from the date on which the Agreement enters into force. In such event, the Agreement shall cease to have effect:

- a) in respect of taxes withheld at source, to income paid or credited on or after 1st January in the calendar year next following that in which the notice is given;
- b) in respect of other taxes on income and taxes on capital gains, to income or capital gains in any taxable year beginning on or after 1st January in the calendar year next following that in which the notice is given.

At the signing of the Agreement between the Czech Republic and the Republic of Ghana for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income and on capital gains, both sides have agreed that the following provision shall be an integral part of the Agreement:

If, after the signing of this Agreement, Ghana signs with a third State an Agreement, Convention or a Protocol to it which provides for provisions dealing with taxation of income from furnishing of technical, consultancy and managerial services, except for services mentioned in sub-paragraph a) of paragraph 3 of Article 5 and in Article 14, that are more favourable than those provided for in this Agreement, then that tax regime will automatically be applicable for the purposes of this Agreement from the date on which the Agreement, Convention or Protocol to it between Ghana and that third State will have effect. The competent authority of Ghana shall inform the competent authority of the Czech Republic without delay that the conditions of application of this Agreement have been changed.
