

Current 2009

IN THE FIRST SESSION OF THE FIFTH PARLIAMENT  
OF THE FOURTH REPUBLIC OF GHANA

**THIRD REPORT OF THE COMMITTEE OF SELECTION ON  
THE COMPOSITION OF COMMITTEES OF THE HOUSE**

**1.0 INTRODUCTION**

In accordance with Standing Order Nos. 151 and 152, the Committee of Selection was on *Friday 9<sup>th</sup> January, 2009* appointed and mandated to consider the composition of Standing and Select Committees of the House.

**1.1** Members would recall that at the fourth sitting of the first meeting of Parliament held on *Tuesday 13<sup>th</sup> January, 2009*, the House approved the composition of the Appointments Committee and the Business Committee.

**1.2** Members would also recall that on *Wednesday 4<sup>th</sup> March, 2009*, the House further approved the composition of the remaining Committees of the House.

During the consideration of the Committee's Report, it became apparent that the composition of Committees other than the Committee on Selection, Appointments Committee and the Business Committee needed some fine tuning hence, the need to review the membership of these other Committees.

**1.3** The Committee noted that there was the problem of allocation of Members to Committees. Whereas some Members serve on more than three Committees (both Standing and Select), other Members served on only one Committee. The names of some

Members were mistakenly omitted altogether contrary to article 103 (4) and Order 153 of the Standing Orders of the House.

The re-composition of the Committees also took into account the recent by-elections at Jirapa and the late declaration of election results at Asutifi South.

As a result of this, the Committee met and discussed the re-composition of the Committees of the House based on the ratio of **51:49** as approved by the House.

**1.4** In line with the letter and spirit of Order 193 of the Standing Orders, the Majority and Minority Caucuses after due consultations presented their reviewed lists of membership for the Standing and Select Committees in accordance with the approved ratio to the Committee of Selection.

The Committee after consideration of the lists recommends to the House the composition of the rest of the Committees as follows;
